Little Trinity & Kindergarten News

In the news.....

In the Mr Tickle room this week the children have enjoyed playing with the dinosaurs and using a variety of blocks to build and construct with. They have also had fun with the role play dress up clothes, hats, bags and bangles! In the craft room the children have enjoyed exploring the coloured sand, using fingers and tools to draw lines in the sand. Outside the Mr Tickle children have jumped in and out of hoops and danced in the breeze with ribbons. Back in the classroom the children have enjoyed many stories, the favourite being 'Give that back Jack'

Mr Chatterbox children have had lots of fun this week. They have got very messy exploring the shaving foam, using paintbrushes and their hands to spread it on their arms and around the messy room! The classroom was a little tidier and the children played with the Tweenies play set as well as cooking in the home corner. They also enjoyed joining in with 'The Three Billy Goats Gruff' story and singing songs and rhymes.

WORK OF THE WEEK

Mr Tickle Room – Henry E had fun this week sorting the colour boxes. He took all the items out and then sorted them into colour groups before putting them all back in the boxes and putting the lids back on!

Mr Chatterbox Room – Molly V really enjoyed making her own toast this week in the role play. She popped the bread into the toaster and then waited patiently. She shouted out 'toast, toast' when she saw it had popped up and then used the spatula to spread the butter before eating it all up!
